## SECTION 2. DEFINITIONS

**Accident** means accidental bodily injury sustained by you that is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while insurance coverage is in force.

**Approved Amount** means the amount Medicare determines to be reasonable for a service that is covered under Medicare Part B. It may be less than the actual charge. For many services, including physician services, the approved amount is taken from a fee schedule that assigns a dollar value to all Medicare-covered services that are paid under that fee schedule.

**Assignment** means an arrangement in which a physician or medical supplier agrees to accept the Medicare-approved amount as full payment for services and supplies covered under Part B. Medicare usually pays 80% of the approved amount directly to the physician or supplier after the member meets the annual Part B deductible. You pay the other 20%.

**Benefit Period** is a way of measuring your use of hospital and skilled nursing facility services covered by Medicare. A benefit period begins the day you are hospitalized. It ends after you have been out of the hospital or other facility that primarily provides skilled nursing or rehabilitation services (or, if in the latter type of facility, has not received skilled care there) for 60 days in a row. If you are hospitalized after 60 days, a new benefit period begins, most Medicare Part A benefits are renewed, and you must pay a new inpatient hospital deductible. There is no limit to the number of benefit periods you can have.

**Coinsurance** is the portion or percentage of the Medicare approved amount that you are responsible for paying.

**Cost Sharing** is the share of costs you must pay when receiving a covered service, including deductible, copayments or coinsurance. Cost sharing does not include premiums, balance billing amounts for out-of-network providers or the cost of non-covered services.

**Dependent Domestic Partner** means an individual who has a relationship with you that has the characteristics described below. You and your domestic partner must:

- a. share a close personal relationship and be responsible for each other's common welfare, including but not limited to having joint financial responsibilities
- b. be each other's sole domestic partner
- c. not be married to anyone, nor have had another domestic partner within the previous 12 months
- d. not be related by blood so closely as to bar marriage in the State of Oregon
- e. have jointly shared the same regular and permanent residence for at least 12 months immediately preceding the effective date of coverage with the intent to continue doing so indefinitely
- f. have the PERS retiree providing over one half of the financial support for the person and qualify as a dependent of the PERS retiree as determined under section 105(b) of the Internal Revenue Code, 26 USC 105(b), as amended by the Working Families Tax Relief Act of 2004, P.L. 108-311

The **Group** refers to Oregon Public Employees Retirement System (PERS).

**Health care expenses** means expenses associated with the delivery of health care to you.

**Hospital** means a Medicare approved institution that provides care for which Medicare pays hospital benefits.

**Injury** means physical damage to the body inflicted by a foreign object, force, temperature or corrosive chemical that is the direct result of an accident, independent of illness or any other cause.

**Lifetime Reserve Days** are a lifetime reserve of 60 days for Medicare Part A inpatient hospital care. These days must be used whenever more than 90 days of inpatient hospital care are needed in a benefit period.

**Limiting Charge** is the maximum amount a physician may charge a Medicare beneficiary for a covered physician service if the physician does not accept assignment of Medicare claims. The limit is 15% above the fee schedule amount for non-participating physicians. Limiting charge information appears on the Medicare Summary Notice (MSN).

**Medicaid** is a program established under Title XIX of The Social Security Disability Act to help some people with limited income and resources regarding their medical costs.

**Medical Emergency** means the sudden and unexpected onset of symptoms, illness, injury or condition that would be deemed, under appropriate medical standards, to carry substantial risk of serious medical complication or permanent damage to you if care or services are withheld.

**Medicare** is Parts A and B of the insurance program established by Title XVIII, United States Social Security Act, as amended by 42 U.S.C. Sections 1394, et seq. and as later amended.

**Medicare Eligible Expenses** are expenses of the kind covered by Medicare to the extent recognized as reasonable and medically necessary by Medicare.

**Medicare Part A Inpatient Hospital Deductible** is the amount normally due from you upon first admission to a hospital in each benefit period, before benefits are available under Part A of Medicare.

**Medicare Part B Deductible** is the amount you must pay each calendar year before Part B of Medicare pays benefits for Medicare Part B expenses.

**Medicare Part B Excess Charge** is the amount for a service or supply that exceeds the Medicare approved amount. Physicians who do not accept assignment of a Medicare claim can charge you up to 15% more than the Medicare-approved amount. This is also referred to as a limiting charge.

**Medicare Summary Notice (MSN)** is a form Medicare sends to a beneficiary every three months showing all services and supplies billed to Medicare during the 3-month period, what Medicare paid, and what the beneficiary may owe the provider.

**Member** means any eligible person who is enrolled in the Plan. Where this handbook refers to “you” or “your” it is referring to a member.

**Moda Health** refers to Moda Health Plan, Inc. Where this handbook refers to “we”, “us”, or “our” it is referring to Moda Health or its employees.

**PERS Health Insurance Program (PHIP)** means the Program that offers group healthcare coverage to eligible retirees as well as their spouses and dependents who meet the eligibility requirements.

**Physician** means a licensed practitioner of the healing arts acting within the scope of the physician’s license.

**Plan** means the Medicare supplement plan sponsored by the Group and insured under the terms of the policy between the Group and Moda Health.

**Policy** means the agreement between the Group and Moda Health for insuring the Medicare supplement plan sponsored by the Group. This handbook is a part of the policy

**Premium** means the periodic payment required from the Group in order for you to have coverage under the Plan.

**Sickness** means illness or disease that manifests itself after the effective date of insurance and while the insurance is in force.

**Skilled Nursing Facility** is a facility that provides skilled nursing care and is approved for payment by Medicare.

- a. Enrolling someone who is not eligible
- b. Giving false information or withholding information that is the basis for eligibility
- c. Submitting false or altered claims

We have the right to keep any premiums paid as liquidated damages. You will have to repay any benefits that have been paid. If we end coverage under this section, we may, to the extent permitted by law, deny future enrollment of members under any Moda Health Plan, Inc. policy or contract or the contract of any affiliates.

### **8.5 BENEFITS AFTER COVERAGE STOPS**

If the Plan is terminated, coverage ends on the date the Plan ends. However, if you are in the hospital on the day the policy ends, the Plan will continue to pay toward covered expenses for that hospitalization until discharge from the hospital or benefits are exhausted, whichever comes first. This is the only situation in which the Plan will pay toward an expense incurred while you are not covered.

## **SECTION 9. CLAIMS ADMINISTRATION AND PAYMENT**

### **9.1 CLAIM FILING**

Before the Plan can pay any benefits, the provider of service must file a claim for those expenses with Medicare. We must receive notification from the Medicare carrier of its payment. Only those charges determined by Medicare to be Medicare eligible expenses will be covered under the Plan.

If you live in Oregon, call Customer Service to arrange to have your Medicare claims sent to us electronically. You may then submit your claims to Medicare, and we will automatically be notified of what was paid.

If you live outside of Oregon, you will need to send claims, along with the Medicare Explanation of Benefits, to us.

In no event, except absence of legal capacity or in the case of a Medicaid claim, is a claim valid if submitted later than 12 months from the expense was incurred. Claims submitted by Medicaid must be sent to Moda Health within 3 years after the date the expense was incurred.

#### **9.1.1 Out-of-Country Foreign Claims**

Out-of-country care is only covered for emergency or urgent care situations. When care is received outside the United States, you must provide all of the following information to us:

- a. Patient's name, member's name, and group and identification numbers
- b. Statement explaining where the member was and why they sought care
- c. Copy of the medical record (translated is preferred if available)
- d. Itemized bill for each date of service
- e. Proof of payment in the form of a credit card/bank statement or cancelled check

### **9.2 PAYMENT OF CLAIM**

Benefits payable under the Plan will be paid to whoever received the Medicare benefits. Foreign travel emergency care benefits will be payable directly to you.

#### **9.2.1 Explanation of Benefits (EOB)**

We will tell you how we processed a claim in a document called an Explanation of Benefits (EOB). We encourage you to access your EOBs electronically by signing up through your Member Dashboard. We may pay claims, deny them, or apply the allowable expense toward satisfying any deductible. If all or part of a claim is denied, the reason will be stated in the EOB.

If you do not receive an EOB or an email telling you that an EOB is available within a few weeks of the date of service, this may mean that we did not receive the claim. Your claim will not be paid unless we receive it within the claim submission period explained in section 9.1.

### **9.2.2 Claim Inquiries**

Customer Service can answer questions about how to file a claim, the status of a pending claim, or any action taken on a claim. The phone numbers are found in section 1.2.

## **9.3 LEGAL ACTIONS**

You cannot bring any action at law or in equity for any benefits under the Plan until 60 days after filing a claim. No such action can be brought once 3 years have passed from the date the claim was required to have been filed.

## **9.4 THIRD-PARTY LIABILITY**

The rules for third party liability, including motor vehicle and other accidents, are complicated and specific. We have included some high-level information here. Contact Customer Service for more information.

The Plan does not cover benefits when someone else - a third party - is legally responsible. This may include a person, a company or an insurer. Recovery from a third party may be difficult and take a long time, so the Plan will pay your covered expenses based on the understanding and agreement that the Plan is entitled to be reimbursed for any benefits paid that are or may be recoverable from a third party.

You agree to do whatever is necessary to fully secure and protect the Plan's right of recovery or subrogation. Subrogation refers to substituting one party for another in a legal setting. The Plan is entitled to all subrogation rights and remedies under the common and statutory law, as well as under the Plan. You will cooperate with us to protect the Plan's subrogation and recovery rights. This includes signing and delivering any documents we reasonably require to protect the Plan's rights and providing any information or taking actions that will help us recover costs from a third party. Moda Health has the option to interpret and construe these recovery and subrogation provisions.

- a. If the Plan pays claims that are, or are alleged to be, the responsibility of a third party, you hold any rights of recovery against the third party in trust for the Plan.
- b. The Plan is entitled to be reimbursed for any benefits the Plan pays out of any recovery from a third party if there is a settlement or judgment against the third party. This is so whether or not the third party admits liability or claims that you are also at fault. The Plan is entitled to receive the amount of benefits the Plan has paid whether the healthcare expenses are itemized or expressly excluded in the third party recovery.
- c. If the Plan requires you and your attorney to protect its recovery rights under this section, then you may subtract from the money to be paid back to Moda Health a proportionate share of reasonable attorney fees as an expense for collecting from the other party.
- d. Even without your written authorization, we may release to, or obtain from, any other insurer, organization or person, any information we need to carry out the provisions of section 9.4.

- e. If it is reasonable to expect that you will have future expenses for which the Plan might pay benefits, you will seek recovery of such future expenses in any third party claim.
- f. Section 9.4 applies to you if the Plan advances benefits whether or not the event causing your injuries occurred before you became covered by the Plan.
- g. If you or your representatives do not comply with the requirements of this section, then the Plan may not advance payment or may suspend payment of any benefits, or recover any benefits hawse have advanced, for any medical condition related to the third party claim except for claims related to motor vehicle accidents (see section 9.4.1). We may notify medical providers seeking payment that all payments have been suspended or may not be paid.

#### **9.4.1 Motor Vehicle Accident Recovery**

If you file a claim with us for healthcare expenses due to a motor vehicle accident and motor vehicle insurance has not yet paid, then the Plan will advance benefits. The Plan retains the right to be paid from the proceeds of any settlement, judgement or other payment you receive that exceeds the amount that fully compensates you for your motor vehicle accident related injuries.

If the Plan requires you or your attorney to protect its recovery rights under this section, then you may subtract from the money to be paid back to the Plan a proportionate share of reasonable attorney fees as an expense for collecting from the other party.

You will do whatever is required to secure, and may not prejudice, the rights of Moda Health under this section.

## **SECTION 10. CLAIMS ADMINISTRATION AND PAYMENT**

### **10.1 WHEN MEDICARE IS SECONDARY**

We coordinate benefits with Medicare as required under federal law. When Medicare becomes a secondary payer because of benefits from other plans, such as another Medigap plan with another carrier, or coverage, benefits payable under the Plan will be paid as if Medicare's normal benefits had not been reduced. The Plan may reduce its benefits so that the total benefits paid by all plans are not more than the total allowable expense.

### **10.2 NON-DUPLICATION OF BENEFITS**

Services are eligible for only one type of benefit under the Plan. For example, if a service is defined as skilled nursing facility care, it is reimbursed under that benefit only.

### **10.3 EFFECT OF CHANGE OF PLAN**

If on the effective date you have changed to the Plan from any other Moda Health supplement plan, no benefits will be paid under the Plan for any stay or care to the extent that benefits are paid under the prior plan.

### **10.4 RECOVERY OF BENEFITS PAID BY MISTAKE**

If the Plan mistakenly makes a payment for a member to which they are not entitled, or pays a person who is not eligible for payments at all, the Plan has the right to recover the payment from the person paid or anyone else who benefited from it, including a physician or provider of services. The Plan's right to recovery includes the right to deduct the amount paid from future benefits it would provide for a member even if the mistaken payment was not made on that member's behalf.

### **10.5 CONFIDENTIALITY OF MEMBER INFORMATION**

Keeping your protected health information (PHI) is very important to the Plan. PHI includes enrollment, claims, and medical and dental information. This information is used to pay your claims and authorize services. It is also used for referrals, case management and quality management programs. We do not sell your information. The Notice of Privacy Practices has more detail about how we use your PHI. A copy of the notice is available on our website by following the HIPAA link or by calling 855-425-4192.
