# Your guide to *plan management*

We want to make it easy for you and your clients to enroll and manage their account.

## Enrollment, made easy

### 1 Confirm client's eligibility Your client's business must:

- Be in Idaho
- Have 25+ full-time employees on average during the preceding calendar year
- Have at least 25 employees enrolled on the first day of the plan year

### 2 Enroll by the 10th of the month

New group enrollment information must be received no later than the 10th of the month prior to the desired effective date. Late enrollment can be accommodated upon request.

### 3 Choose an employee-eligibility waiting period

It cannot exceed 90 days for medical plans.

### 4 Make changes to plans upon renewal

Changes may include, but are not limited to, eligibility waiting periods, group plan choices, employer-eligibility changes, and contribution or participation amounts.

## Faster benefits administration

The Employer Dashboard was created to help your clients quickly access and manage the details of benefits administration.

### *It's self-service, easy-to-use and available 24/7.*

- Review employee-enrollment information and history
- Generate an enrollment census of covered employees and/or dependents
- View benefit and plan details and Member Handbooks
- Manage billing with eBill

# Flexible, cost-savings plans *with equal monthly payments*

For some employers, the benefits of self-funding their health insurance come with concerns about managing wildly fluctuating monthly costs. Moda Health's Equal Funding provides the flexibility and cost savings your clients want, with the stability of equal monthly payments they need. It's peace of mind and a great first step to becoming fully self-funded.

## A three-part plan

# Predictability, flexibility and control

Equal Funding limits your clients' risk while providing granularity on where their collective healthcare dollars are being spent. Your client pays the same every month. If claims are higher than expected, the stop-loss insurance policy will cover them. And if claims are lower than expected, your clients will receive a credit towards the next plan year's administrative fees.

## Stability

 **Equal monthly payments**  
for easier cost management

 **Insight into plan performance**  
throughout the year, for more informed decision-making at renewal time

## Protection

 **Safety from the unexpected**  
whether from large catastrophic claims by covered individual(s) or combined medical and pharmacy claims from the entire employee population that exceed the expected annual limit

 **Clients may see lower costs**  
with any surplus at the end of the policy period appearing as an administrative fee credit for the following policy year

# A partner in better outcomes and cost management

Moda Health works closely with your clients to maximize their healthcare investment. Our Equal Funding medical plans are designed to help your clients' employees be their healthy best. Plus, we take the time to understand your clients' business – top to bottom, so you'll have the insights needed to make informed recommendations about your clients' health plan.

## Supporting a healthy population

 **Inspiration and support**  
for your clients' employees to improve their health, managing chronic conditions, and navigating their plan and care options

 **Improved morale and productivity**  
from happier and healthier employees

## Transparency and reporting

 **Identifying cost-savings opportunities**  
short-term trends and long-term needs with robust reporting

 **Personalized service and support**  
with industry-leading case management team

# How Equal Funding *works*

Moda Health's Equal Funding plan allows your clients to pay for their maximum exposure **over 12 predictable monthly payments**.

Once the policy period ends, if there is a surplus between the premium amount paid and the total cost of claims for your client, an administrative fee credit will be applied to the following policy year.

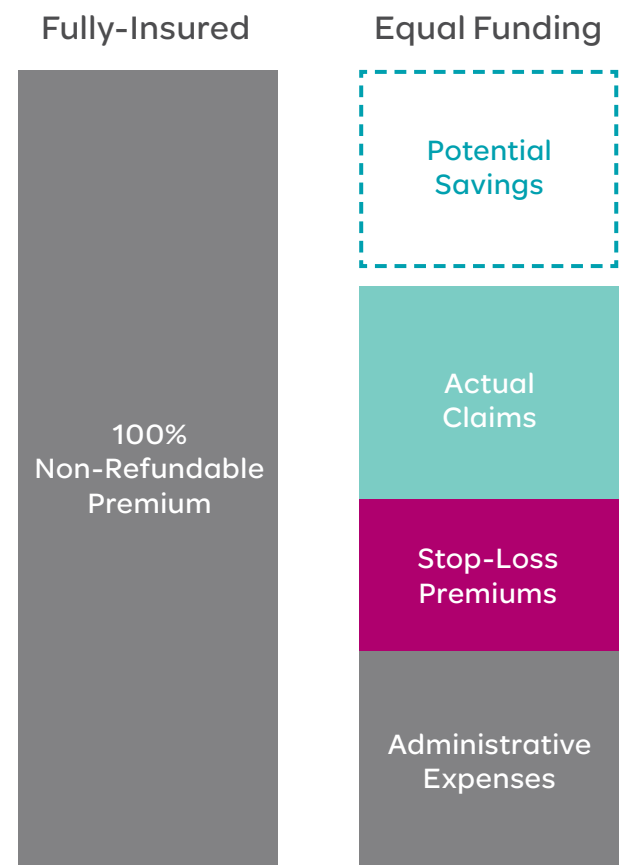

Date	Sample monthly billing cycle for May
April 7	eBill generated (viewable online within 48 hours)
May 1	<ul style="list-style-type: none"> <li>May payment due</li> <li>May remittance pulled via Electronic Fund Transfer (EFT)</li> </ul>
May 10	<ul style="list-style-type: none"> <li>Moda Health confirms May payment has posted</li> <li>If payments have not posted, all claims payments will be immediately pended</li> </ul>
May 31	If May payment has not posted, plan will be terminated effective May 1, and May claims will be denied

**↓** If actual claims are **less than expected**  
 the plan has a surplus. Part of the surplus will go to your clients as a credit on the next plan year's administrative agreement fees.

**↑** If actual claims are **higher than expected**  
 the stop-loss policy will cover these costs. Your clients will not be required to pay more.
