

Dental Care for Travelers

Take your ODS dental care with you

Wherever life takes you, ODS is there, along with the largest dental network in Oregon and across the nation.

Traveling in the UNITED STATES

As the Delta Dental plan of Oregon, ODS members have access to the largest network of participating dentists in the nation. No matter where you travel within the United States, participating providers are nearby. The Delta Dental Premier network includes more than nine out of 10 practicing dentists in Oregon, and three out of every four dentists nationwide. Just log onto **myODS** at www.odscompanies.com and search for a provider nearest to your travel location.

Traveling ABROAD

ODS is proud to offer **Everywhere Care** to its dental members. Whether your travels take you to Australia or Zimbabwe, we can help you find expert dental care from English-speaking providers should the need arise. To access this unique referral service, simply log onto **myODS** at www.odscompanies.com and click on the **Everywhere Care** link on the member page. If you are without Internet access, simply call International SOS Assistance, Inc. (I-SOS) collect at 215-942-8226 and identify yourself as a Delta Dental enrollee. It's that simple.

Registering for myODS

To sign up for **myODS**, visit www.odscompanies.com and click on the member page. Once there, click the *Not Registered* link at the **myODS** prompt — from there, registration is easy. In addition to accessing our list of dental care providers in Oregon, the United States and abroad, with **myODS** you also can:

- ▶ View detailed information about your dental benefits
- ▶ Track your eligibility and claims
- ▶ Order new ID cards
- ▶ Print your own Explanation of Benefits (EOBs)
