

Save money with Quest Diagnostics

Just ask your provider to send your lab work to Quest Diagnostics to lower your out-of-pocket costs

Did you know that you can save money on laboratory services just by making a simple request? As an ODS member, when you ask for your lab work to be sent to Quest Diagnostics labs, you'll enjoy a lower out-of-pocket cost – potentially saving more than 60 percent compared with hospital-based labs.

ODS HELPS YOU SAVE MONEY

ODS is committed to providing our members with access to high-quality, cost-effective care. Our partnership with Quest Diagnostics helps us deliver fine medical care to you, while offering you savings that really add up.

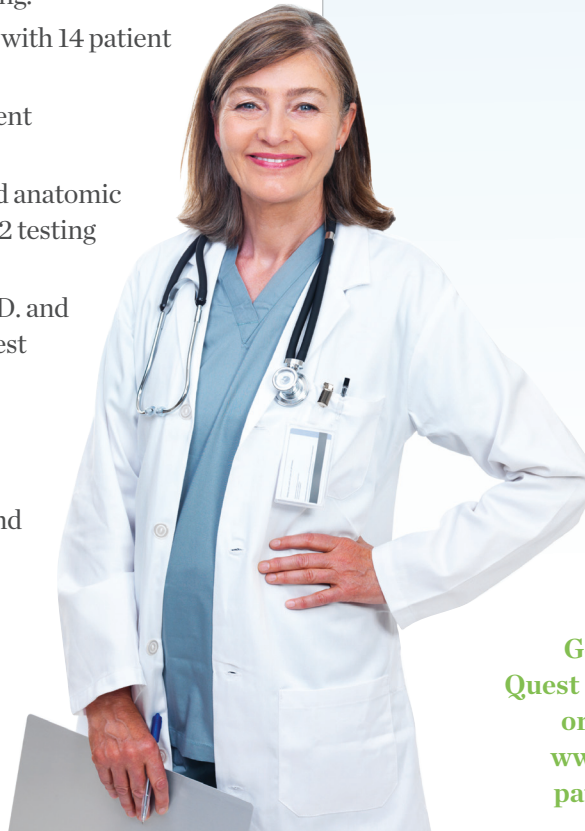

LEADING LAB SERVICES

Quest Diagnostics is the world's leading provider of diagnostic testing, information and services, delivering:

- Convenient access to testing services with 14 patient service centers (PSCs) in Oregon
- An online PSC locator and appointment scheduling to minimize wait times
- More than 3,000 clinical, esoteric and anatomic pathology tests performed at one of 32 testing facilities nationwide
- Consultation with more than 800 M.D. and Ph.D. specialists for rare or difficult test results

DON'T FORGET TO ASK YOUR DOCTOR

Just remember – ask your provider to send all your lab work to Quest Diagnostics to take advantage of these savings.

HOW MUCH CAN YOU SAVE?

Just look at the average costs you would pay for the same test with the following laboratory providers:

LABORATORY PROVIDER TESTING FEES

- › Quest Diagnostics: \$7.94
- › Hospital-based labs: \$20.00
- › Non-participating labs: \$34.30
