

Take steps toward a healthier you

Take the challenge

We're challenging you to step up to better health! Experts say that adults should take 10,000 steps and get 30 minutes of exercise every day. Walking is one of the best ways to do that, so let's get moving!

Over the next five weeks, make exercise a priority. Go for a morning walk, lap the building during lunch, or hold walking meeting. Every step counts!

Earn extra steps
