

## > Treatment Cost Navigator

# Insist on playing by your own wellness rules

Like knowing what to expect? If you need treatment, you can find and compare costs among providers before making an appointment. It's just one more way we help you make the best healthcare decisions.

### See costs ahead of time

You can easily see what you'll pay for treatment beforehand. Just check our online Treatment Cost Navigator to learn how much your next office visit, diagnostic test or procedure will cost.

### An estimate just for you

It takes only a few minutes to find useful information that can help you plan ahead, including:

- > The costs for a specific treatment
- > The amount your plan will cover
- > Your out-of-pocket cost, based on your benefits

### Comparison shop

Once you look up a treatment, you can compare costs for up to five providers. Don't have a provider yet? Just use the search tool to find one near you. You can also search for providers by language, gender, network status or specialty.

### Find it at myModa

To use the Treatment Cost Navigator, just log in to your myModa account at [modahealth.com](http://modahealth.com). If you don't have an account, use the information on your member ID card to create one. You'll love everything you can do on myModa, like check your benefits, get to your Member Handbook, find resources and more.
