

2025 Provider Directory

This provider directory was last updated April 2025

This directory has been customized for PeaceHealth and ZoomCare employees and dependents residing in Alaska.

This customized directory for PeaceHealth and ZoomCare employees provides a list of in-network providers **for Tier I, Endeavor Select and First Choice**. This includes Medical and Behavioral Health providers. Some network providers may have been added or removed from our network after this directory was created. We do not guarantee that each provider is still accepting new patients. If you are seeking a new provider, we recommend that you contact the provider to confirm that they are accepting new patients.

Aetna® PPO Network through Aetna Signature Administrators® is for residents - and dependents living or traveling outside of Alaska. If you are searching for a provider in the lower 48 states, use the Aetna Signature Administrators® provider search site, located [here](#).

If you need assistance finding a provider, please call the number on the back of your ID card.
