

2025 Provider Directory

This provider directory was last updated March 2025

This directory has been customized for PeaceHealth and ZoomCare employees and dependents residing in Oregon/SW Washington (Cowlitz and Clark counties).

This customized directory for PeaceHealth and ZoomCare employees provides a list of in-network providers. This includes Medical and Behavioral Health providers. Some network providers may have been added or removed from our network after this directory was created. We do not guarantee that each provider is still accepting new patients. If you are seeking a new provider, we recommend that you contact the provider to confirm that they are accepting new patients.

Aetna® PPO Network through Aetna Signature Administrators® is for residents outside of Oregon and SW Washington (Cowlitz and Clark counties) and dependents living outside of this network service area. It's also the travel network when traveling outside of your network service area. Please note that travel benefits are available for emergency care ONLY.

If you need assistance finding a provider, please call the number on the back of your ID card.
