

Transition of care checklist

We want you to enjoy whole-person health, and we're here to help.

We've put together a checklist to help make your move to Moda Health as *easy as possible*.

We offer free interpretation services.
Call (833) 599-8602 for assistance in your preferred language.

- Find an in-network provider, or check to see if your provider is in-network

Caregivers are assigned to a network **based on where you reside**.
Your assigned home network will be on your member identification card.

You can check to see if your current provider is in-network by visiting modahealth.com/peacehealth and selecting Network Tier links:

For residents of **Oregon, Alaska** and **Washington** (Cowlitz and Clark Counties):

- Tier I (PeaceHealth network)*
- Tier II (AK Endeavor Select and Aetna® PPO Network through Aetna Signature Administrators®)
- Tier II (AK First Choice)
- Tier II (OR/SW WA Connexus)

For **Northwest Washington** or remote residents and dependents:

- Tier I (PeaceHealth network)*
- Tier II (Aetna® PPO Network through Aetna Signature Administrators®)

Moda Health Navigators are ready to help you find an in-network provider.
Call [\(833\) 599-8602](tel:8335998602)

- Call us at [\(833\) 599-8602](tel:8335998602) if you have any **out-of-area dependents** so we can ensure they have access to in-network providers.

*PeaceHealth facilities and employed providers, ZoomCare, PeaceHealth joint ventures, CIN and select community providers.

□ Create your Member Dashboard account

One of the first things you'll want to do once your coverage is effective and you have received your ID card is create your Member Dashboard account. Member Dashboard is your personal website. Within the site, you can find information about your plan, as well as many services, tools and programs created to help keep you healthy.

Check it out at modahealth.com/dashboard.

□ Show your new Moda Health member identification card to your medical provider and pharmacy

When you receive your member identification card, please show it to your healthcare provider on your next visit, or pharmacist when you fill a prescription beginning January 1, 2025. Please let your provider know this card replaces the current benefit coverage information they have on file for you.

After January 1, 2025, you can also access a **digital ID** card from the home page of your Member Dashboard. You can access your Member Dashboard at modahealth.com/dashboard.

It is important that your providers have the most current information necessary to submit claims for reimbursement.

Appreciating that pharmacy is often the first benefit accessed in the new year, we have provided the details below that your pharmacy will need to fill your prescription.

- PCN: NVT
- BIN: 610602
- RxGroup: PEAH

Fill your prescriptions one more time

You may want to fill any prescriptions you are taking one more time to make sure you have enough to last you during the transition.

See what medications we cover

With the new plan year and transition to a new program administrator, it is important to take a moment and confirm your benefits. You can review your pharmacy benefits, coverage for your medication, find in-network pharmacies, and get cost estimates on medications by visiting modahealth.com/pdl

If your medication needs authorization, please call us at (833) 599-8602. We will work with you and your provider to get the information we need to complete your medication review.

Find a participating pharmacy

To find an in-network pharmacy, please visit modahealth.com/peacehealth and use the [Find Care link for pharmacies](#). For the 2025 plan year, some pharmacies, like CVS, have been removed from the network. We encourage you to use PeaceHealth pharmacies and/or check Find Care before filling your prescriptions. You can also view estimated medication costs in your Member Dashboard at modahealth.com/dashboard. Once there, look for the Prescription price check tool.

If you have any questions, please call Moda Health Navigators at (833) 599-8602.

Mail-order services

For fewer trips to the pharmacy, consider enrolling in mail-order services through the PeaceHealth pharmacy to get your medication delivered right to your door.

PeaceHealth RiverBend Outpatient Pharmacy is the mail-order pharmacy for caregivers who reside in Alaska, Oregon and Washington. For other states, use Costco mail-order pharmacy. You can find mail-order information in your Member Dashboard at modahealth.com/dashboard.

1. Contact your provider and request a new prescription for up to a 90-day supply of each medication. You probably will not need a doctor's visit to get a prescription for a medication you already take.
2. You will find links to the mail-order forms in your Member Dashboard or you can find them on modahealth.com. Select "I'm a member" then "Resources" and then "Forms" to access the links to the mail-order pharmacies.

□ Connect with our Moda Health Navigator team

Welcome to personalized care that puts you at the center of all your healthcare needs with digital and person-to-person support.

As a caregiver, you have exclusive access to Moda Health Navigators, your own personal care guides. Moda Health Navigators are ready to help you:

- And more

Digital connection:

Once your coverage is effective and you have received your ID card you can use your Member Dashboard by visiting modahealth.com/dashboard to access personal care reminders, specialized programs selected just for you, and live-chat with a Moda Health Navigator anytime.

To reach a Moda Health Navigator, please call (833) 599-8602

You have **two options** for accessing behavioral health support.

□ Spring Health

Spring Health remains available through your employee assistance program. You and your dependents each receive up to eight free therapy sessions (which may include medication management) and eight free coaching sessions each year.

You can contact Spring Health Care Navigators at [\(855\) 629-0554](tel:8556290554).

□ Behavioral Health – with a dedicated Champion to help you navigate behavioral and mental health resources

Your Moda Health medical plan also includes behavioral health support for more intensive treatment. Moda Health connects you to mental and behavioral health support and tools, some with 24/7 access. A Behavioral Health Champion can help guide you along your mental health journey. In addition to our comprehensive behavioral health network, we offer specialized programs that help with:

- Therapy and psychiatry – services available in 30+ languages with a diverse group of providers, includes telehealth options with guaranteed access within 3-5 business days
- Substance abuse treatment
- Autism, developmental disorders, Down syndrome and speech delay therapy
- LGBTQIA+ gender-affirming care
- Anxiety and trauma care
- Eating disorder care
- OCD treatment

Not sure where to begin?

We can help. Log in to your Member Dashboard at modahealth.com/dashboard and answer a few questions. We'll then recommend programs that can help you best. Or, call and connect with a Behavioral Health Champion at [\(833\) 599-6482](tel:8335996482).

□ Fill out and submit a Transition of Care Request form if needed:

We understand that having your health plan change during the course of certain treatments or during pregnancy can be concerning. To avoid undue medical hardship and risk to you, it may be medically necessary for you to continue treatment for a period of time with your established provider, as we want you to get the care you need.

If you are already scheduled for a procedure, in the middle of treatment, or pregnant, you may be eligible to have your claims paid at a higher benefit level for a specific amount of time. Please fill out and submit a Transition of Care request form no later than Dec. 15, 2024. If approved, your claims will be paid at the Tier II in-network benefit level for the approved course of treatment.

If you are currently working with a case manager, we would like you to work with one from Moda Health. Please call **(833) 599-8602** to request a case manager.

Continuity of Care (Transition of Care) Request Form

- Transition of Care – New enrollee transitioning on to a new plan
- Continuity of Care – Existing member whose provider network has changed

Transition of Care ▶ Transition of care occurs when your health plan changes during the course of certain medical treatments, and as a result, the medically necessary services become out-of-network. It may be necessary to continue with your current provider for a period of time to complete the course of treatment, or delivery in the case of pregnancy, at the in-network level. If you are scheduled for a procedure, in the middle of treatment for a medical condition or are pregnant, you may be eligible for a transition of care. (Form should be submitted at the of time health plan change, but no later than 30 days after the effective date of your coverage.)

Continuity of Care ▶ Continuity of care occurs when there are changes to your network, and there are clinical reasons preventing immediate transfer of care to an in-network provider. Continuity of care allows the member to receive services at in-network coverage levels for specified medical conditions for a defined period of time. (Form should be submitted within 30 days of the network change.)

Member name	Date of birth (mm/dd/yyyy)	Subscriber ID	Member phone number
Provider/Physician		Contact name	Provider/Physician phone number
Facility (if applicable)		Facility contact name	Facility phone number
