Section 2 › Eligibility and residency

Medical plans:

To be eligible to apply for our Oregon individual health plans, you must currently live and have a fixed, permanent home address in the service area. You must spend at least 6 months of the year living in the service area. You cannot be enrolled in Medicare or living in the service area to get health coverage or for another temporary reason such as getting treatment. Living in a residential care facility to receive treatment does not meet the residency requirement.

☐ I confirm I meet these requirements.

Dental plans:

To be eligible to apply for one of our Oregon individual dental plans, you must be an Oregon resident and reside in our service area for at least 6 months out of the year. If you had Delta Dental individual dental coverage that ended during the past 12 months, you won't be eligible unless you have a special enrollment qualifying event or have had continuous group dental coverage since leaving Delta Dental.

☐ I confirm I meet these requirements.

Section 3 › Plan selection

IMPORTANT: No out-of-network coverage. You must use in-network providers for services to be covered by these medical plans or by the dental EPO plan.

I select the following medical and/or dental plan(s) for the requested effective date ___/___/_____:

If you are changing from one Delta Dental of Oregon individual plan to another outside of open enrollment, any amount applied to the annual maximum plan payment limit will be transferred to your new plan.

Moda Health's individual medical plans are designed to support your healthcare needs through partnership between you and an in-network primary care provider (PCP). Your PCP coordinates your care. To complete enrollment, you must name an in-network PCP for each applicant in sections 4, 5 and 6. Go to Find Care on modahealth.com to confirm your PCP is in-network. We may assign one for you if you do not select one yourself. You may switch to a different Affinity PCP at any time.
